Dear Sir:

Applicants, in accordance with the duty of disclosure pursuant to 37 C.F.R. § 1.56, hereby advises the United States Patent and Trademark Office ("PTO") of the references listed on the accompanying Form PTO/SB/08A (substitute for 1449A/PTO) *Information Disclosure Statement by Applicant*. A copy of each document is enclosed.

Applicants believe that the instant Information Disclosure Statement fully complies with the disclosure requirements of 37 C.F.R. §§ 1.56, 1.97, and 1.98, as revised effective March 16, 1992, inasmuch as under the revised rule 37 C.F.R. § 1.98 there is not requirement for Applicants to explain the relevance of the references cited in an Information Disclosure Statement unless those references are not in the English language.

Applicants note that although the cited references may be relevant to the examination of the above-referenced application, under 37 C.F.R. § 1.97(h), the filing of this Information Disclosure Statement "shall not be construed to be an admission that the information cited in the statement is, or is considered to be, material to patentability as defined in § 1.56(b)."

Respectfully submitted,
